

寫給青少年的話

小小的故事 大大的驚歎號

Amazing Discoveries
in Simple Stories

吳祜皓

國立臺灣藝術教育館館長

Tsu-Sheng Wu
Director of National Taiwan Arts Education Center

一樣的星空、一樣的景色，
透過不同人來翻譯，
為何有人的作品令人眼睛為之一亮、
且發自內心的感動？
這無非是來自生命的體驗。

藝術家成長學習的過程中，
究竟發生什麼樣的際遇，
啓迪了本身擁有與生俱來的魔法，
繼而揮灑創造力、展現真善美？
在時代巨浪翻滾之下，
又如何以其敏銳的覺知，
於混沌中不懼前進、向著未來？

凡走過必留下痕跡，
《一個藝術家的誕生》叢書，
即將為您一一解開謎底：
從音樂、舞蹈、戲劇、視覺四個領域，
透過平實的白話文傳記、象徵性的圖象，
串連成一篇篇精采的成長傳奇，
綻放出藝壇上旖旎萬千的風景。

但千萬別忘了，
並非鼓舞每人都能成為一代藝術大師，
成為一個快樂的生活家又何嘗不可，
人生匆匆，何妨稍作停歇，
駐足欣賞美感、進而傳播美感？

讓我們做個獨一無二的自己，
共同創造無數的驚嘆號吧！

Marcel Duchamp

Through his own interpretation, an artist might present a startling new perspective of the same night sky we've seen night after night. How does he do it?

In his path to master his skills, what enabled the artist to discover his unique brand of magical talent? How does an artist polish his skills and face the daunting prospect of the unknown future?

Follow the footsteps of those who had walked the path. The *"Birth of an Artist"* will reveal the mysteries of the four disciplines: music, dance, drama, and visual arts. It will show us how the artist expresses with simple language and symbolic illustrations to form extraordinary creations - creations that stir our senses and imagination.

Even though not everyone is destined to be a grand art master, let us just be content being a happy ordinary human being. Life is short and sweet. Pause for a moment in your busy life to appreciate the beauty surrounding us.

Be unique and explore! Be unique and make your own amazing discoveries!
